

REGULATION

1. Respect and reciprocity

Respect and reciprocity are the fundamental words that will regulate the conduct of the commission.

Each job will be carried out with professionalism, cordiality and passion for your requests. If there may be any lack of respect or any form of rudeness, this will instantly block the execution of the commission. Refunds will not be accepted in these cases.

2. Information for the commission

If you want to request a commission, I invite you to be clear and sure of what you want to ask me right away, otherwise you can trust my work or ask me for advice. If you are undecided, have confused ideas or just want to have information, I will always be available for a prior consultation. The revision or modification during the construction phase can only be carried out on the basis of the type of package chosen (see Chapter 4).

Tell me directly your preferences on the material on which you want to make the final design: paper or digital and its size in centimeters or pixels. If not supplied or not of significant importance, standard materials and dimensions (indicated below) will be used.

Once your request has been approved, you will be able to send by e-mail the images for the realization of the commission. Low quality images will not be accepted.

4. Review and Consultation

Depending on the type of package chosen, there will be specific benefits and costs.

The packages are as follows:

- **ECONOMY: Relax and leave all the work in my hands!**
 - You will leave me carte blanche on the realization;
 - You will have a 5 € discount on the chosen commission;
 - The commission will end with an early business day.

- **STANDARD: Start taking part in making the commission!**
 - You will have the opportunity to review the draft with 1 complete modification proposal;
 - The price and production times are those listed in the table in Chapter 3.

- **EXCELSIOR: So that's just how I want it!**
 - You will have the opportunity to constantly review the commission, evaluating any changes from time to time;
 - The additional price is € 25.00;
 - The timing of implementation will depend on the amount of changes required.

- **FLASH: Faster than light!**
 - You will have the opportunity to request a commission with a shorter time frame than indicated in Chapter 3;
 - Whoever makes this request must always evaluate the fact that a commission begins only and exclusively upon receipt of the remuneration.
 - It will not be possible to make changes during the execution of the commission;
 - The additional price is half of its original price;
 - The lead times are reduced by 1-2 days.

NB: FOR THE CREATION OF THE LOGO, A STRIP OR A COMIC TABLE, GIVEN THEIR COMPLEXITY, IT WILL NOT BE POSSIBLE TO DECIDE A PACKAGE IN ADVANCE, BUT ONLY AFTER A CONSULTATION AND A QUOTE.

However, if there is a need to have the job completed by a set date, feel free to ask me in advance for advice on how to proceed. We will evaluate together which package is best for your needs, so that we can offer you the best possible service.

If a package is not specified during the commission request, the option will be used by default: "STANDARD".

If you want to make changes to your commission already in the work phase, outside of your option type, a payment of € 5 will be provided for each detail to be modified and if these changes were to be more demanding, their cost could be greater. In this case, the commission will be blocked until payment is received for the single or multiple changes.

NB: WITH A "COMPLETE MODIFICATION" PROPOSED IN THE VARIOUS PACKAGES YOU CAN REQUEST TO MODIFY FROM A DETAIL UNTIL THE COMMISSION IS COMPLETELY REDOED. WITH THE "MODIFICATION BY DETAIL" YOU WILL VALUE EVERY SINGLE DETAIL THAT YOU WILL WANT TO MODIFY, UNTIL THE COST OF A NEW COMMISSION IS REACHED.

5. Method of Payment

Payments are accepted via:

- *PayPal*;
- *Wire transfer*.

The type of commission you requested must be entered in the reason for this together with your name and surname (examples: Caricature for Mario Rossi, Tattoo design for Giacomo Carli, etc.).

Payments must be made in advance in a single solution below € 60.

For amounts over € 60, you can opt for a split of the payment, 50% in advance and the remainder in half commission; in this case the reasons must state:

- "Type of commission" for "personal name and surname" 1/2 (for the advance);
- "Type of commission" for "personal name and surname" 2/2 (for the other half).

Should the price of the commission exceed € 120, it is possible to opt for greater subdivisions in relation to the amount to be paid.

Once I have received full or partial payment, I can start working on the commission.

We do not accept credits or acts of faith on "future" payments, if the payment is not made, the commission will be blocked. Furthermore, if there are no movements or explanations on non-payment, the commission request will be completely canceled, at any stage.

6. Refunds Policy

Reimbursement for a commission may occur if I am no longer able to conclude the commission due to force majeure. In this case there may be a total or partial refund, defined on the basis of the work carried out so far and that the commission agent will be able to receive.

For a serious and documented problem, the commission agent may request a total or partial refund, which, however, before its acceptance, its nature will be assessed and if deemed correct, a refund will be issued appropriate to the situation.

I remind you that the final decision regarding the refund request remains at my discretion, to protect against any fraudulent behavior.
